

NATIONAL TRAILER PARTS

The Dropleg Insert

Revolutionizing Light Duty A-Frame Jacks

Part Number: JF1005FHZ

- >>> Special Tube Design fits snugly inside the inner tube of the jack
- >>> Gives more adjustment to jack with an additional 8" of lift in 2" intervals
- >>> Fits most 2K-5K A-Frame Jacks
- >>> No more use of the wood block
- >>> Easy to install and/or retrofit existing jacks
- >>> Reduces up and down hand cranking
